Daycare has tab

PreK info on 4K & Preschool tab

On phone/tablet—scroll to bottom and hit web version to see all tabs— don't forget to hit refresh to get new calendars/news

**CENTER CLOSED** Dec 22—Jan 2

## Learning Begins at Home

Oral Language Activities... Read holiday books together, Play & act out Little Jack Horner, Mary had a Little Lamb or your favorite nursery rhyme, Look at calendar & talk about what you did yesterday, today & tomorrow, sing holiday songs & explain language "new" words. Cut a triangle out and have child follow directions "put triangle under/over/off/on/ beside, etc" an object., name colors in a room

Establishing routines ..... Set table & count each plate/cup/utensil, practice dressing/undressing, outside clothes too, don't forget the zipper, brush teeth & discuss each step & why its important

Motor Activities .... Use toothpicks/mini marshmallows to build shapes, letters or structures, walk while snowing & count snowflakes you can catch, dance to holiday music, punch holes in greeting cards and string on yarn to hang up, write thank you cards, string jingle bells & sing & dance, build a snowman(snow, boxes, stuffed bags), talk about small medium & large,

Play at home... make holiday cookies together, holiday light drive, board game night, make play do & make "cookies"

### November in Review

We are continuing to develop independence, learn routines, follow directions, recognize names and be a GOOD friend.

In PreK we did this through our Fall/Autumn, Sweet & Spooky, Bear units.

Daycare did this in Halloween, Bears, Forest Friends, Thanksgiving and Owls.

If Edgerton School District closes due to inclement weather, our center is closed. If there is a late start due to weather conditions we will open as usual. If there is an early dismissal due to weather we ask that parents to pick up as soon as safely possible.

Thanks for sending your child's winter wear (& practicing to bundle, too). It is getting cold out there.

Here are a few reminders for outerwear:

Your child needs classroom shoes to change into from their boots everyday. Wet boots and our play carpets don't make for good fun. **Make sure**

**to wash it weekly too!**

STOP DISEASE

### MORNING HEALTH CHECK

#### Signs to Observe:

- General mood and changes in behavior
- Fever or elevated body temperature
- Skin rashes, unusual spots, swelling or bruises
- Complaints of pain and not feeling well
- Signs/symptoms of disease (severe coughing, sneezing, breathing difficulties, discharge from nose, ears or eyes, diarrhea, vomiting etc.)
- Reported illness in child or family members

#### Use all of your senses . . .

- **LOOK** - for signs
- **LISTEN** - for complaints
- **FEEL** - for fever
- **SMELL** - for unusual odor

### HEALTH FORMS (white) :

These need to be completed by your child's doctor by Dec. 1st. If we do not have this

completed form your child cannot attend school until it is completed & turned in. NO FORM = NO SCHOOL
