Don't Forget the Outdoor Gear and Shoes Please!

(shirt, pants, underwear & socks) in case he/she gets wet.

Well, the snow has started flying whether we are ready or not. Please start sending snow pants and boots with your child everyday. Even if it isn't snowing, it is getting pretty cold and we do go outside everyday. And don't forget to keep sending a winter coat, hat and mittens. Your child will also need shoes to wear while inside the classroom.

We suggest that you pack the snow pants and shoes or boots (whichever your child isn't wearing to school) into his/her backpack...if your child isn't currently using a full-sized backpack, we recommend you get one so he/she is able to fit everything inside.

Also, please be sure your child has a complete outfit change

Weather policy

If the Edgerton school district closes due to inclement weather, preschool is also closed, and if the school district announces a 2 hr. delay, preschool is cancelled.

Child health reports forms are due December 1st. This form is required by the state, if you haven't turned it in yet, please do so asap. I have copies available

THE ELF ON THE SHELF

This month we will be meeting our new little friend, Elfie. He will be playing hide and seek with us every morning and watching all good deeds throughout the day. He will be making sure everyone is using good manners, picking up toys, sharing, using listening ears, and helping others. He will be reporting back to Santa every night.

Holiday Pajama Party

It's celebration time! Our class will be having a holiday party on the 21st/22nd. My friends are welcome to wear their favorite pajamas or comfy clothes to school. Please keep in mind we will still go outside at the end of class. For our activity we're decorating a Christmas cookie that they can eat at snack time! If you would like to bring in a snack for our party, please consider a healthy option. Later, we will play games and watch a Christmas movie.

SOMETHINGS TO PRACTICE OVER WINTER BREAK...

- Practice bundling self up in snow clothes, including zipping jackets & pulling on boots. (Don't forget order: snow pants, boots, coat, hat, and mittens last)
- Practice writing names on gift tags and/or thank you cards.
- Practice cutting while wrapping gifts & snipping ribbons.

DATES TO REMEMBER

Child Health report due	1st
No school	10th
